Do you like free stuff? Like free athletic footwear and apparel? Yeah, that's what we thought. At various times, Sportrax will be giving away **FREE** merchandise or gift cards for those following our Facebook and Twitter pages. You can sign up by logging on both the following **FREE** sites.

Our Facebook page contains photos of shoes and other products at Sportrax. It is a **GREAT** way to keep up with our new arrivals and new sales promotions. It is the center of information for anything Sportrax. Facebook is a **FREE** website used primarily as a social networking tool for its members. To learn more about Facebook click here - <http://www.facebook.com/facebook?ref=pf#!/facebook?v=info&ref=pf>

Our Twitter page gives you the most current Sportrax information while you're on the move. Twitter is mainly used as a way to send text messages to mobile phones. These messages called "Tweets" allows the user to contact everyone on their "Followers" list at one time. To learn more about Twitter click here - <http://twitter.com/about>.

Giveaway Methods

We will have a drawing with our Facebook members for some of the free items and at other times we will have a little more fun with something we will call - **TRAX AND TWEET**.

Trax and Tweet

Remember Halloween? Getting dressed up in costumes and getting candy by just saying "Trick or Treat"? We've got a way to re-live that moment with a deal that is just as easy and twice as sweet. **TRAX AND TWEET!!!** By using Twitter, we will notify our "followers" via text message that we are giving away an item. Many times the first one to get to Sportrax with the message will claim the prize. Sometimes we will be on location, maybe the Cook-Out in Oxford, or Subway in Norlina, or maybe even Granny's Drive In in Louisburg to make sure we cover Sportrax's territory and give

everyone a shot at free stuff. Sometimes we may get you to call the store to claim the prize. We will mix it up!

Get Started!!!

Just click on the top two links above and follow the instructions and you're all set! On Twitter, be sure to click the phone icon (it will turn green) so you will receive the text messages from Sportrax. Check with us often for upcoming events. Good Luck!
